The Midwest, North Central, Mid Central Regions of the NMRA, and the Railroad Prototype Modelers (RPM) will sponsor this convention. This combined convention will be four days of clinics, layout tours, operating sessions, and more! There will be an informal no-host meet and greet at the Skylight Bistro and Wine Bar at the Marriott Tuesday evening at 6:00 PM. Come by and meet some of your fellow attendees and Indy Junction 2022 Staff members. It's a fine opportunity to get to know some of the people you'll be spending your time with over the next few days. More details at: <https://www.indyjunction2022.org/>

From I-80/90 exit south on SR 49 at Chesterton, IN; then turn right at U.S. highway 6 (notice the Hospital on the right at the interchange), then turn left on Meridian Road, then about ¼ mile left into park. Pass the gatehouse and take the small drive immediately to the right. Follow the pavement until it ends. Park on the grass at the layout.
