Division ZOOM Meet	December 9	10:00am CT 11:00am ET	Grain Elevator Operation	Madison Plumer Location Manager

September 9, 2023, Studebaker Museum recap: A small group assembled for the tour of the Studebaker Museum. We had a great time, and the museum provided a volunteer to conduct the tour. We learned a lot of new information about the Studebaker family and their products that are not described on the display cards. After the tour our group met for lunch at the Studebaker mansion known as Tippecanoe Place.

Michiana Division Meet, November

November 11, 2023

10:00am CT/11:00am ET

Achievement Program (AP Electrical)

Lincoln Township Public Library, 2099 W. John Beers Road, Stevensville, MI 49127

This meet will be our annual AP presentation and the topic will be the AP Electrical category. This category is not as technical or difficult as you may believe. Greg and Ron will talk about their methodology and the products they each used to complete AP Electrical. After the presentation we will go to a local cafe for lunch on your own and a layout tour.

Michiana Division Meet, December (ZOOM Meet)

December 9, 2023

10:00am CT/11:00am ET

Grain Elevator Operation

Madison Plumer is the Location Manager of the Gavilon Grain elevator located on Walnut Road near New Carlisle, Indiana. Madison will discuss the various modes of operation of the elevator and how they interact within the facility and how the railroad is served at the facility. The discussion should prove to be helpful to our members by understanding the grain elevator operation as a rail served industry and how it may apply to model railroading. The ZOOM link will be provided later.

Please send articles, news items, photos and comments to the Editor of the Michiana Division FORM-19 Newsletter, Chuck Hart, email: chart7968@yahoo.com by December 15th to be included in the January 2024 Winter issue of the FORM-19 Newsletter.
