Our August outing will take place on August 21<sup>st</sup> and we will visit the National New York Central Railroad Museum <https://elkhartindiana.org/government/nnyccr-museum/> in Elkhart, Indiana. Tickets to the museum (\$5) may be purchased online or at the museum. The museum is open from 10 AM to 5 PM Eastern Time and is located in downtown Elkhart near many restaurants and other attractions. We will gather near the entrance for a brief meeting at Noon Eastern time.

Our division meeting for September will include a tour of Uncle Heavy's Ore Lines - Greg Bueltmann's layout featuring the Chicago and North Western and Milwaukee Road in Michigan's Upper Peninsula circa 1963. The layout is a work in progress and the pooled ore operations delivering iron ore from the mines in the Menominee region to the ore dock in Escanaba, MI. Greg's layout is in Gary, Indiana. There are other railfanning sites nearby so additional stops may be added as the date approaches.

Your Division needs members to work with your Board of Directors helping them with their areas of responsibility. Look for more information in future issues of the FORM-19 Newsletter about serving on Division Committees. Please consider volunteering your expertise.
