The hotel is a 5-10 minute drive to our venue, McKenna Hall.

### Parking:

When you get to the ND campus, go north on Notre Dame Avenue from Angela Blvd. directly to McKenna Hall to pick up your Registration Packet and parking pass (Park in the McKenna circle temporarily). Then proceed south on Notre Dame Avenue and turn right at the first street going right just past the Eck Visitor's Center. Our parking is in the gated BK1 Lot at the back of the Hammes Bookstore Lot. We will write the passcode on the back of your parking pass. You must leave the pass on your dashboard to be visible to Parking Services Staff. Do not park in the the Bookstore Lot as it's 2 hour parking only and the University does ticket those trying to park there all day. The Michiana Division will provide Golf Cart transportation to and from the parking lot for those that require it. Just let us know if you want/need a ride when you pick up your registration packet. The University of Notre Dame is not liable for any mishaps that occur while using this service.

A campus map may be found [HERE](http://map.nd.edu). (<http://map.nd.edu>)

McKenna Hall is located on Notre Dame Avenue across from the Morris Inn. Below is a close view map of the south side of campus with with directional arrows to McKenna Hall and to the parking lot.

The online map allows for downloading the complete ND Map in .pdf format.
